

+adeusz MYSŁOWSKI

ARCHITECTURAL FURNITURE CHAIRTHRONES

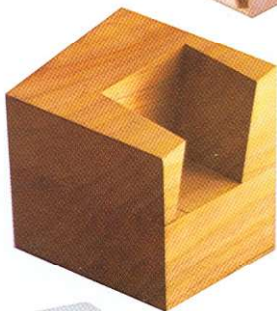

HOMAGE FOR THE VISIONARIES OF THE XXTH CENTURY ABSTRACT ART,
WHOSE CREATIVITY IS DEFINED IN THE ABSTRACT FORMS.

Here the chair is metamorphosed from an everyday object into a monumental sculpture, where instead of losing its visual power it becomes an integral part of a new visual vocabulary, a new aesthetic.

HONORING ARTISTS

- MONDRIAN - belkwooggie
- MALEWICZ - kwadratokubik
