### Visiting Poland

No, [I haven't been to Poland yet] and I regret. I wanted to go there. I wanted to take [my father] with me, now I can't. He's not capable of doing this journey. When they went to Poland, I couldn't go with them and I've regretted very much, because even if I go now, without him and without her, it's not the same. Although there's our family there, my father's sister – she's not alive anymore, but her family is still there. But it's not the same...
